

Change of Toll Rates for Vehicles with the Maximum Laden Weight over 3.5 Tons

Please be informed that in accordance with Decree №32 of the Ministry of Transport and Communications dated 09.10.2014 rates for the use of toll roads in the Republic of Belarus for certain categories of vehicles will be fixed as follows from October 1st, 2014:

- 2-axle motor vehicles with a maximum laden weight over 3.5 tons 0.09 EUR per km;
- 3-axle motor vehicles with a maximum laden weight over 3.5 tons 0.115 EUR per km;
- 4-axle (and more) motor vehicles with a maximum laden weight over 3.5 tons 0.145 EUR per km.

The rate for motor vehicles with a maximum laden weight not exceeding 3.5 tons will remain unchanged at 0.04 EUR per km.
